

Agricultural Farmhouse for Sale #5718

€375,000

The property is a farm house with auxiliary buildings (office area), located in Dromolaxia, Larnaca.

The ground floor consists of two studios and a barn on the west side. The barn consists of 22 stables and a training area for horses.

The upper floor consists of an open plan area, toilets and a covered veranda.

The field has a rectangular shape, even surface and frontage approximately 45m to a registered road.

The constructions within the fields have been erected in 2010.

The asset is located about 1.5km northwest of the core of the village, 3.9km from Larnaca's airport and about 660m west of the highway Nicosia - Airport.

960 m²
